

THE AGrow EXPO

Join us for the **First Annual AGrow Expo** **Saturday, September 10th, 2022**

at Mercer Landmark's **new** Latty agronomy facility
1 mile east of HWY 127 on OH-613 in Paulding County, OH

The AGrow Expo is an all-day event which includes a full morning and afternoon packed with a series of educational breakout sessions for all types of farming operations, and an evening of food, family and fun to celebrate agriculture in our communities and the grand opening of our new Latty agronomy facility. Come visit with some of the greatest equipment and ag dealers in our area and view the latest and greatest technology!
